

## **PRESS RELEASE**

### **UPGRADE OF PISSOURI BAY WITH OUTDOOR GYM BY THE LIMASSOL TOURISM DEVELOPMENT COMPANY**

May 12, 2021

The Limassol Region Tourism Development and Promotion Company (ETAL), proceeded to the creation of an outdoor gym at a selected location along the beach in Pissouri.

The gym equipment was placed in a row overlooking the endless blue of the sea, at a point where the Community Council of Pissouri undertook to create a landscape. The result is impressive and hundreds of locals and foreign visitors, at different times of the day, enjoy the sport by the sea, in an organized space.

At a meeting held on Tuesday, May 11, 2021, the official handover of the project was made by the President of ETAL Mr. Toni Antoniou to the President of the Community Council of Pissouri Mr. Lazarou Lazarou. Mr. Lazarou thanked ETAL for its generous contribution to the upgrading of the community and stated the community's commitment to maintain and maintain the infrastructure.

As stated by the President of ETAL Mr. Toni Antoniou, the creation of outdoor gyms has started in 2020 and three points have already been completed throughout the Limassol region. He noted the contribution of the Ministry of Tourism which grants these actions through ETAL and stressed that the community of Pissouri is of particular importance as a tourist destination and the upgrade efforts must be continuous by all stakeholders.
